

Select Series™ X300 tractors are more maneuverable than the D100 series and competitors, are built to mow larger lawns, and have features to keep the operator more comfortable in rough conditions. They are ideal for homeowners with lawns up to 2.5 acres in size with intricate landscaping, varied terrain, and other yard maintenance requirements. All X300 tractors feature Twin Cylinder Kawasaki Engines and are designed to last 100% longer than the D100 Series. The X300 tractors are not larger, but rather Heavier Duty and Better Quality than their D100 series competitors. Plus the X300 Select Series have been the #1 recommendation by a leading consumer magazine every year since 2006. Setup & Delivery Charge of \$90 Applies to all Units Delivered.
